Business plan template

Blank narrative worksheet - use evidence, not the example figures from another business.

Business / project: _____ Fixed date: _____

1. Customer and evidence

Who has the problem? What interviews, observations or orders support this?

2. Offer and revenue model

What do you sell, to whom, at what unit/fee and with which scope limits?

3. Market and alternatives

What alternatives exist? Record dated comparisons and untested assumptions.

This short worksheet does not certify readiness or replace recipient-specific financing documents.

Business plan template

Blank narrative worksheet - use evidence, not the example figures from another business.

Business / project: _____ Fixed date: _____

4. Operations and capacity

Who delivers? List stock, hours, equipment, dependencies and acceptance criteria.

5. Marketing and sales

Name the channel, test budget, sales steps, responsible owner and evidence.

6. Costs, cash and funding

Separate sales, consumed costs, purchases, receipts and payments by date.

This short worksheet does not certify readiness or replace recipient-specific financing documents.

Business plan template

Blank narrative worksheet - use evidence, not the example figures from another business.

Business / project: _____ Fixed date: _____

7. Risks and downside

Change one important assumption. What capacity or cash constraint breaks first?

8. Actions and review

Name the next action, owner, fixed date and decision rule. Preserve the original plan.

Assumption register

Input / unit / evidence source / date / owner. Add a separate cash schedule when needed.
